

Neway Enterprises

NEWAY ENTERPRISES:

- Singapore leading distributor for materials in water treatment, water filters, water purifiers, water bottle filters, water filter with bottle, portable water filters.....
- Exporting to Canada, USA, Singapore, Indonesia, Iran, Denmark, India, Vietnam, Italy, Mexico, Thailand, Russia...
- Have exclusive agent in Vietnam, India and Brazil.

NEWAY WATER PURIFIERS

Neway GREEN BIO WATER PURIFIER

Features:

- Purify water, Remove heavy metal, sediments, various impurities, viruses, bacteria, fungi, clog and chemical materials.
- Preserves the existed minerals in water and add more inorganic minerals for goal healthy body (Ca, K, Na, Mg) make good taste water.
- Increase pH 8.0-8.5, make water cluster small.

Filter system: (3 filters with 6 steps)

1. Sediment Filter

Step 1: Sediment: with the high quality micron filter the filter can remove sediments, various impurities (dirt, grit, sand, rust, dust) in water.

Step 2: Binchotan ball: white charcoal ball can absorb chlorine, bad smell, odor and harmful organic chemicals.

2. Nano Silver Membrane Filter: With the membrane filter of a micro-scale pore size 0.01 um and having silver ions are composed on the membrane surface. Remove 99.9% heavy metal, virus, bacterial, fungi, harmful substances as well as residual chlorine. Preserves minerals.

3. Complex Binchotan Block Filter

Step 4: Binchotan block filter: the white charcoal block type large in surface area, excellent filtration: eliminate chlorine, bad smells, organic compound, trihalonethane (can cause cancer), excellently antibacterial, remove virus.

Step 5: pH alkaline ceramic ball: increase pH, release Ca mineral.

Step 6: Mineral ceramic ball: release minerals (Ca, Mg, K, Na...), make water cluster small.

Specification:

Items	Neway Green Bio
Size	131 (W) x 336(D) x 340(H)
Capacity	2,100L
Weight	3.5kg
Filter system and life time (9" or 11")	
Sediment filter	3 – 6M (3,600L)
Nano Silver membrane filter	8 – 12M (6,000 ~ 7,000L)
Complex Binchotan Block Filter	12 – 15M (7,000 ~ 8,000L)
